Exclusively from Conard-Pyle

Since its founding in 1897, Conard-Pyle has evolved from a retail mail order firm to a wholesale container nursery. As one of the pioneer container growers on the East Coast and one of the largest and most respected, we have over 5 million plants growing in our Pennsylvania and Maryland nurseries. In the San Joaquin Valley of California, we grow an equal quantity of Star® Rose plants.

We have more than 275 bare root rose varieties, 150 container roses, hundreds of perennials, groundcovers and woodies, the Knock Out® Family of Roses, the Drift® Roses and the best from Novalis and Proven Winners.
